

BE INVOLVED

You don't have to be a USA BMX member to help in the fight against Leukemia. Give a donation envelope to a friend. They can help with a good cause, be eligible for prizes, plus they can try out the great sport of BMX.

START NOW

After you have received your collection envelope for the USA BMX "Race For Life", you need to start collecting donations from your relatives, neighbors and businesses in your community. Instruct the donators to **make checks payable to the USA BMX "Race For Life"**. When you go back to the track put all the checks in the envelope but don't seal it because the track operator will have to verify what you have collected in order for you to be eligible to compete for the awards that will be given away. If you need more envelopes see your track operator.

Dear BMXer,

Helping others is one of the finest things anyone can ever do in life. This is your opportunity through the sport you know and love to help people in two ways. First, through your gathering of donations for the USA BMX "Race for Life", you will be helping fight and bring to an end a dreadful disease that affects thousands of people each year. Secondly, you can introduce BMX to your friends and neighbors that may not have thought that they would ever be able to participate in competitive BMX. Their contribution will be will be their entry into the finest sport in the world, BMX.

Sincerely,

Bernard Anderson
CEO, USA BMX
